

TOWARD A VIBRANT COMMUNITY

Join Us

Thursday, October 27

8:00 am to 11:00 am

Indian Valley Country Club

650 Bergey Rd., Telford

Join us for this important forum which will focus on identifying and building relationships so that we can find solutions for meaningful employment and volunteer opportunities for people with disabilities in our community.

Remember the old saying, "It takes a village to raise a child"? The same could be said for including people with disabilities in their communities. Many times after graduation, people with disabilities "fall off the cliff" so to speak. At this age, funding sources change and they often lose access to vital services that were provided to them for the 12-14 years they were in school. Access to meaningful programs is essential to continue to develop skills needed to live every day to the fullest. People with disabilities want what we all want...to belong and be accepted in the communities where they live and work.
